ORDER QUASHING ORDER TO SHOW CAUSE

On July 21, 2015, I entered an Order to Show Cause (Doc. 42), requiring the parties to submit closing documents no later than July 27, 2015, or to show cause in writing why they should not be sanctioned for violation of the Court's order. It now appearing that that the parties have submitted closing documents, the Order to Show Cause is quashed.

IT IS SO ORDERED.
